About me

I'm a third-year student passionate about UI/UX design, focused on creating digital experiences that are both beautiful and functional. I love turning complex ideas into simple, user-friendly solutions and aim to build a career designing meaningful digital products.

Education

Western Insititute of Technology 2023-2026

- Bachelor of Science in Information Technology

Experience

Champion - UI/UX Design Competition

Techlympics - IT Department | July 19, 2025

- Participated in the Techlympics UI/UX Design Competition representing the IT Department.
- In third year, contributed to the development of "EmerGo", an emergency app that provides quick access to essential hotline numbers.
- Gained hands-on experience in user research, wireframing, prototyping, and interface design using modern design tools.
